Stir the Earth.

You can do it best, easiest, quickest with a "Planet Jr." No. 8 Horse Hoe. It pulverizes the earth in a scientific way, kills the weeds, lets the air and moisture in, makes the crop grow. It's a cultivator as well as a hoe; does either kind of work equally well. If you till your farm or garden with "Planet Jr." tools, you will be surprised at the decrease in work and the increase in profit. There is a score of these machines, any one of which will do as much as five or six good men and do it better. The latest ideas in modern farming are plainly set forth in the "Planet Jr." Book for 1898. Mailed free.

Why H. S. Stout Succeeds.

Here are a few reasons why H. S. Stout has succeeded in building up the largest tailoring business in Paris:

FIRST—He recognized the fact that five years ago that the only day of big profits and small sales was past.

SECOND—He cuts the price of tailor-made garments at least 40 PER CENT.

THIRD—He kept up the quality of his materials, his styles and his workmanship.

FOURTH—He always does as he advertised.

AS A RESULT.

As a result of this system he has built up a large trade that appreciates the fact that they save twenty dollars on a single Suit or Overcoat. "Many customers at a small profit rather than a few customers at a big profit," says H. S. Stout.

If you want credit, your high-price tailor gladly extends it, for he makes you pay dearly for it in the end.

Why not turn over a new leaf—wear the best, save money, by giving H. S. Stout a trial?

He makes the Finest Imported Suits for

\$30.00 AND \$35.00.

To John Fox, Jr.

[On reading the Kentuckians.]

Seer of our mountains rude and strong. Prophet of the children of our hills. When justice falters not, but strikes and kills. And knows no mercy, palliates no wrong.

Clean and pure the mountain air we breathe Through the rhododendron purpled page.

Unfolding visions of a primal age, E'er men learned the sword of hate to sheathe.

Be thou the prophet of our sensuous plain. Strength of oak into our veins infuse—

Virile honesty of heart and brain— Our languid blood with ruddier heat suffuse.

Till welding fire of kindred love shall flame To make "Kentuckians" a peerless name.

Some People Think

that because we sell Steinway Pianos, we sell nothing else, and they must necessarily pay a high price if they buy of us.

They are Mistaken

for we have other high grade pianos such as the Hazleton, Smith & Barnes, Gabler, Kurtzman, etc., superior in touch, tone and finish at prices most moderate. We offer intending purchasers greater variety and better value, dollar for dollar than any house in the West.

If you can not come, write for full information.

(tf) BOURBON STRAM LAUNDRY.

Now is the time that every one should take a spring tonic to strengthen the system and prepare for the extra demands of Nature. Every spring the system is thoroughly overhauled—there is a general housecleaning going on within. The impurities that have been accumulating for a year must be gotten rid of and the system renovated and prepared for the siege of summer. Unless Nature is assisted in this task, the strain on the system is too severe, and a breakdown is the result. Some people neglect to supply this assistance, and as a result they are overcome by an enervating, depressed feeling, their energies relax, appetite fails, and they are totally disabled for a season. Everybody just now needs a tonic, and Swift's Specific

S.S.S. For Blood is logically the best tonic on the market. The general health needs building up, hence a tonic is needed that is entirely harmless. S. S. S. is purely vegetable, and is the only blood remedy that is guaranteed to contain no potash, mercury, or other harmful mineral ingredient. It is Nature's remedy, being made from roots and herbs gathered from Nature's great storehouse. It thoroughly cleanses the blood of all impurities, tones up the general health, renews the appetite and imparts new life and vigor to the entire system. Dangerous typhoid fever and other prevalent summer diseases seldom attack a person whose system is thoroughly cleansed and toned up with S. S. S. in the spring. Get S. S. S. and be prepared. Sold by all druggists.
